

**John Packham, PhD**  
**Associate Dean Office of Statewide Initiatives**

Dr. John Packham is the Associate Dean of the Office of Statewide Initiatives (OSI) and Associate Professor in the Department of Internal Medicine at the University of Nevada, Reno School of Medicine (UNR Med). Dr. Packham oversees a wide-range of statewide educational, research, and community engagement programs serving rural and urban residents in Nevada consistent with UNR's mission to improve the health and well-being of all Nevadans and communities, and the School's vision of a healthy Nevada. He also oversees government affairs for UNR Med and is the School's Government Relations Representative to the American Association of Medical Colleges.
