

## **Nancy Bowen – Ex Officio CEO NVPCA**

Nancy Bowen has a Masters of Applied Industrial/Organizational Psychology. As CEO, Nancy oversees all Nevada Primary Care Association activities and is responsible for records of the association and for carrying out policies and programs of the association. She works in partnership with the Board of Directors on the development and implementation of the strategic plan, and manages public affairs, health policy initiatives, and community development. Ms. Bowen hires and mentors staff and is responsible for the day to day financial management of the NVPCA and for meeting the requirements of funding agencies, including reports, budgets, and new and continuation applications. She represents the association at public meetings, hearings, conferences, and on committees, planning bodies, and other task groups that are related to the mission of the association.
